

CITY OF ST. CLAIR MONTHLY NEWSLETTER

July/August 2015

**Thanks to everyone who
planned, worked, helped and
participated to make St. Clair
Days 2015 a huge success!**

Memorial Park Restrooms

As many of you may have noticed the Memorial Park pavilion restrooms are no longer open during Community Ed activities. It was the decision of the School (Community Ed Director) to have a port-a-potty brought in as a result of a number of incidents when the pavilion restrooms were left a disgusting mess after Community Ed activities.

We all need to take ownership of our park and speak up when we see someone causing damage or defacing park property.

TOUR OF CITY FACILITIES

The City Council will be touring City facilities (Water Treatment Facility, Wastewater Treatment Plant, City Shop, etc.) on Tuesday, July 28th.

Anyone interested in joining the tour is asked to meet at the St. Clair City Hall at 6:00 p.m. on July 28th.

St. Clair neighborhoods are invited to join neighborhoods and cities throughout Minnesota on Tuesday, August 4th for Night to Unite. The most important aspect of Minnesota Night to Unite is getting neighbors together!

Don't Use Your Toilet as a Garbage Can!!!

The sewer system is not designed to handle these kinds of items. Flushing such items can cause damage to pumps and equipment at the sewer plant, as well as, plugging sewer mains and individual sewer lines resulting in back-ups into homes.
