

CITY OF ST. CLAIR MONTHLY NEWSLETTER

May/June 2017

JUNE 22, 23, 24 & 25

See the back of this Newsletter for the St. Clair Days Schedule of Events.

NUISANCE PROPERTIES

While most yards and properties throughout St. Clair are attractive and well kept, the City has received complaints about a number of unkempt (nuisance) properties. Properties with unkempt yards, long grass/weeds, old tires, scrap metal, lumber, brush, inoperable and unlicensed vehicles, garbage, junk/items stacked and piled around and behind garages and in yards, etc.

Residents with unkempt (nuisance) properties will be notified by the City Attorney, in accordance with the City Nuisance Ordinance. The procedure is as follows:

- Residents in violation of the Nuisance Ordinance will be notified in writing. In accordance with the City Nuisance Ordinance they will be given time to correct the violation.
- If the property is not cleaned up within the allotted time the City will take action and clean up the property (remove and dispose of items creating the nuisance).
- The cost of the clean-up (removal, disposal, labor costs, etc.) will then be assessed to the property owner.

GRASS CLIPPINGS

When mowing your lawn, please mow so that your grass clippings blow into your yard and don't end up on the street. City Ordinance prohibits the practice of mowing grass clippings or raking leaves into the street, curb or gutter. During a rainstorm, grass clippings and other yard debris can quickly plug storm drains and cause back-ups and other problems.

CATS!

A number of cats are roaming around town ... especially in the downtown area. Pet owners are asked to be respectful of their neighbors and follow the City Pet Ordinance ~ do not allow your dog or CAT roam and wander ... keep your pet home.

Cats found roaming around town will be caught and impounded in Mankato. Retrieving a pet from the impound can be very costly.

CITY WIDE CLEAN-UP DAY SATURDAY, JULY 15th

The annual City Wide Clean-Up Day is offered in cooperation with LJP Waste and Recycle. For Clean-Up Day details visit the City website. Detailed information will also be included with the next City Newsletter
