

## COMMUNITY PROFILE

Welcome to the City of St. Clair—a small town with a big history. From our roots as a once busy rail/shipping center to the site of the Winnebago Indian Agency, St. Clair continues to retain its strong heritage through its long-range Clarity 20/20 Comprehensive Plan. Nestled next to the Le Sueur River in south-central Minnesota, our community of 830 residents is a great place to live or visit.

The city proudly draws visitors and community members together for its annual St. Clair Days—a summer festival that offers a variety of entertainment for the whole family as well as the Miss St. Clair Pageant. St. Clair also has many services and amenities to offer, including its own K-12 independent school district (ISD 75). So whether you're driving through or are looking for a place to call home, St. Clair offers something for everyone: good homes, good schools, and good neighbors.

# Education

St. Clair has developed a beautiful school that serves not only its children, but the entire population as well. The school, combined with a media center, is available for early childhood and adult community education classes. St. Clair has its own independent school district (ISD 75), which provides classrooms with excellent student-to-teacher ratios.
